### From the Venue Location to “Lindenhof”

We will walk from the venue location to the public square known as “Lindenhof” (courtyard of lime trees) in the historic center of Zurich where we will have refreshments served and the chance to have a chat while enjoying a wonderful view. We will leave the venue location at about 17:25 and arrive at the Lindenhof approximately 15 minutes later (walking distance 1 km). If you don’t want to walk you may take public transportation (see description below) and walk only the remaining 200 m.

In case of bad weather, we will relocate the refreshments to the cross-coat of the church “Fraumünster” (walking distance from venue location 1.3 km). Again you may take public transportation as indicated below. The cross-coat of “Fraumünster” is just opposite of the “Zunfthaus Zur Waag” where we will have dinner later.

### City Walk

After having refreshed ourselves we will start out on a city walk through the center of Zurich and discover not only the city’s current appearance but also gain a brief impression of its past. The walk will take place also in case of bad weather.

### Dinner

At 19:15 we will enjoy a dinner featuring local specialties to the historic “Zunfthaus zur Waag” guild house which dates back to 1315. We will be served local specialties with veal and potatoes as main course. If you require a **vegetarian meal** (main course with fish or a main course with seasonal vegetables) or if you have any **food intolerances**, please inform us in advance by sending an e-mail to [martin.reizek@zhaw.ch](mailto:martin.reizek@zhaw.ch) not later than Sept. 6th.

Beverages accompanying the dinner are included. All special wishes are at your own cost!

Return to your hotel is individually.
