

# Apple Vision Pro: Potential for Smart Services

*At our brown bag lunch you have the opportunity to experience the Apple Vision Pro live and immerse yourself in the world of virtual reality!*

*What you can expect:*

- *Discover the Apple Vision Pro: find out more about the latest functions and applications of these revolutionary VR glasses.*
- *Diverse application examples: Experience practical applications and discover the many possible uses of VR in different areas.*
- *Hands-on experience: participants will have the opportunity to try out the Apple Vision Pro for themselves.*
- *Experience reports and exchange: Take the opportunity to exchange ideas with Apple Vision Pro expert René Vogel and benefit from his experience.*
