

Internship in Network Management (limited to 6 months, 80-100%, all genders)

The Network Management department is responsible for the strategic development and optimization of SWISS route network. In addition, the department, embedded within the Lufthansa Group, monitors the overall network profitability and other KPIs such as fleet productivity, cost and revenue development, market trends, etc.

Tasks

- Support of various projects in network and fleet planning
- Creation of quantitative ad-hoc analyses, network key performance indicators (KPIs) and market reports
- Creation of recurrent network reports
- Network-related coordination amongst Lufthansa Group hub airlines and with other departments within SWISS.
- Following familiarization phase, takeover of own, independent sub-projects
- Active participation in various monthly review meetings (route profitability, fleet wetlease, etc.)

Requirements

- Workload Specification: For this position, an 100% workload is preferred
- HF diploma, Bachelor's, Master's students or graduates in aviation, economics or business administration (HF diploma & Bachelor's students must have completed at least three semesters)
- Strong conceptual, structural and analytical thinking
- Driven and high level of personal initiative and self-confidence
- Strong interest in the aviation industry
- Excellent English, German and any other languages of advantage
- Very good MS Office skills with focus on Excel, PowerPoint, Power BI and any further IT skills of advantage

About Swiss International Air Lines AG

It's the little differences that make working at SWISS so appealing. The fact, for example, that we treat every detail with care, see quality in terms of hospitality and view nationality through an international lens. In a similar way, we see variety as richness, a job as an experience and SWISS as a world of inspiration. You, too, will be stimulated in our special working environment – one in which, wherever you are, you'll always feel:

Truly SWISS.... where people matter.
