About Swiss International Air Lines AG

It's the little differences that make working at SWISS so appealing. The fact, for example, that we treat every detail with care, see quality in terms of hospitality and view nationality through an international lens. In a similar way, we see variety as richness, a job as an experience and SWISS as a world of inspiration. You, too, will be stimulated in our special working environment – one in which, wherever you are, you'll always feel: Truly SWISS.... where people matter.
