

Internship in Process Optimization Technics (limited 6 months, 60-100%, all genders)

Your heart beats for technical operation in aviation and you want to increase your know-how in process optimization? Take flight with us, join our team of Process Optimization Officers and master continuous improvement and process management at the heart of the technical operation at SWISS.

Tasks

As part of the Process Optimization Team, you will support the team in actively shaping and developing process optimization at SWISS Technics and ensuring quick implementation of beneficial improvement ideas.

- Support the Process Optimization Team in their daily work
- Drive smaller optimization initiatives yourself
- Help to advance the idea collection tool and define proper reporting and KPIs
- Create promotions for continuous improvement at SWISS Technics
- Assist in planning, scheduling, and executing i.e. KAIZEN workshops
- Support in documenting and implementing workshop results
- Perform quality checks of the existing processes and instructions

Requirements

We are looking for a team player who is eager to get an insight into process optimization at SWISS Technics and supports us to advance process management.

- HF diploma, Bachelor's, Master's students or graduates (HF diploma & Bachelor's students must have completed at least three semesters)
- Strong interest in the aviation industry
- A confident manner and a flair for communication
- Good communication skills, comfortable interacting with colleagues at all levels
- Open mindset & can-do mentality
- Resilient, flexible personality with quick perception
- Very good spoken and written English skills
- Very good MS Office skills

About Swiss International Air Lines AG

It's the little differences that make working at SWISS so appealing. The fact, for example, that we treat every detail with care, see quality in terms of hospitality and view nationality through an international lens. In a similar way, we see variety as richness, a job as an experience and SWISS as a world of inspiration. You, too, will be stimulated in our special working environment – one in which, wherever you are, you'll always feel: Truly SWISS.... where people matter.
