

PhD program in Applied Linguistics:
Celebrating achievements and discussing next moves

Join us to celebrate the achievements of our participants and alumni in the PhD program on Managing Languages, Arguments and Narratives in the Datafied Society (LAND).

This is a moment to share insights, exchange ideas for the future, and honor everyone who has contributed to the PhD program and our transdisciplinary community with a certificate.

Date and Location

May 22–23, 2025 | Villa Sträuli, Museumstrasse 60, 8400 Winterthur, Switzerland

Speakers

Carlo Torniai | Group Chief Data Analytics Officer, Angelini Industries

Dr. Marius Born and Prof. Dr. Marlies Whitehouse | Alumni, ZHAW

Prof. Dr. Andrea Rocci and Prof. Dr. Daniel Perrin | Co-Directors of the PhD program

With contributions from our PhD students
